ALL-COUNTY INFORMATION NOTICE I-38-82

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: GREEN v. OBLEDO

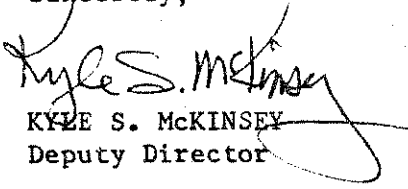

REFERENCE: ALL-COUNTY INFORMATION NOTICE I-88-81

On December 29, 1981, the Sacramento Superior Court issued a final judgment in the case of Green v. Obledo. The court declared former EAS 44-113.241(d) invalid to the extent that it disallowed actual work-related transportation costs by placing a ceiling on those costs through use of a cents/mile computation. The court further ordered retroactive payments be made to eligible individuals; the period of retroactivity is January 1, 1974 through November 10, 1981.

It is necessary, due to the retroactivity of the decision, for county welfare departments to delay the destruction of closed case records which may be affected by Green. Additional information regarding claiming procedures, types of allowable costs and methodology for retroactive payment computation will be forthcoming. We anticipate the claiming period will begin approximately July 1, 1982 and end January 31, 1983.
